

**The Golden Triangle Irish Setter Club would like to recognize the accomplishments of our members and their dogs.**

We will be issuing awards at the May Specialty to our members who, together with their dogs, achieved an AKC prefix or suffix title (Ch. RN, etc.)

And any AKC sponsored title such as CGC or TT. We are also honoring our therapy dogs

We will be honoring any title received while you were a **member** in good standing of GTISC January 1, 2009 through 12-31-2009. You must also be a **current member** of GTISC as of February 1, 2010.

One award will be given PER MEMBER, so if you have multiple dogs earning titles, you will need to list them together, and will receive one award.

Awards will be presented at our Specialty on Saturday, May 29th, 2010.

**All members are responsible for applying for their Award.**
