

**The Golden Triangle Irish Setter Club would like to recognize the accomplishments of our members and their dogs.**

We will be issuing awards at the May Specialty to our members who, together with their dogs, achieved an AKC prefix or suffix title (Ch. RN, etc.) and any AKC sponsored title such as CGC or TT. We are also honoring our therapy dogs and the Nose work certificates, and we've added Barn Hunt and UKC titles.

We will be honoring any title received while you were a **member in good standing** of GTISC January 1, 2019 through December 31, 2019. You must also be a **current member** of GTISC as of February 1, 2020.

Awards will now be certificates. A certificate will be issued to EACH dog you apply for. If you include a photo by email, I will print the photo on the dog's certificate.

Awards will be presented at our Specialty on Saturday, May 25th, 2020.

**All members are responsible for applying for their Award.**
