Dog shows will starting back with Canfield, July 30<sup>th</sup> thru Aug 2<sup>nd</sup>. Thank goodness!

### Club News and Reminders

GTISC held our first virtual online meeting using ZOOM. It went very well our first time. It was determined that we will have ZOOM meetings through out the year, along with our regular meetings to get all members involved. This allows long distance members to join in a meeting and participate. ZOOM gives us 40 minutes free. Since we do not hold meetings in July & August, and January and February seem to always be cancelled for weather, we will consider holding ZOOM meetings during these months. Additional meetings can be included once in the fall and once in the spring to allow all members to be included in meetings that include important agenda. Bob is our host and sets up the meeting time and link. The link will be emailed to all members. Click on it and wait for Bob to allow you in. He will start exactly at the designated time. Log on the link 5 minutes or so earlier so you get connected and do not miss any of the meeting. You can use a smart phone, ipad/tablet or laptop or desk top. It's very easy.

Please remember to sell raffle tickets for the Ryobi Fan. You need money coming in for money to go out!
